

# Level Up Your Career with PMI Adelaide Chapter

## About Us

The PMI Adelaide Chapter was founded in 2003, it is run by volunteers and provides members with opportunities to meet with peers from different industries, enhance their project management knowledge and skills, and participate in events, workshops and volunteering opportunities.

The PMI Adelaide Chapter is one of the 280 global Chapters of the Project Management Institute (PMI®), the world's leading association for the project management profession.

## Connect

It's all about networking. Our Chapter events are perfect opportunities to meet industry leaders, expand your professional circle, and gain fresh perspectives and ideas.

## Develop

Level up your skills. Take advantage of tailored educational events and workshops designed to boost your career and expand your project management knowledge.

## Give Back

Make a difference in your community. Volunteer your time, skills, and expertise to support the Chapter's social good initiatives and drive change where it matters most.
